# 3 READY TO USE MODULES:

1

## EXAMINE POVERTY & HUNGER

Students often struggle to understand the reality and the implications of global poverty. In Module 1, students explore poverty and how it impacts all aspects of life and society.

2

## COMPARE ASSISTANCE & SUSTAINABILITY

In Module 2, students explore what food assistance programs are and what it takes to build sustainable solutions to hunger and poverty.

3

## INVESTIGATE & ACTIVATE

Students become part of the solution by investigating and implementing sustainable food projects in their community with the capacity for world-wide impact.

## TAKE ACTION:

## FOODS RESOURCE BANK - GROWING PROJECTS

Ready to take action? Start a Growing Project to directly support communities in developing countries as they work to end hunger in lasting ways through agricultural development programs.
