OPPORTUNITIES TO ENGAGE: *Deep Dives at the Dialogue*

New for 2025, **Deep Dives at the Dialogue** are immersive, one-hour sessions that invite participants to go beyond the big picture and explore specific topics aligned with the 2025 Borlaug Dialogue theme, **SOILutions for Security**.

Hosted on Tuesday and Wednesday afternoons on the third floor of the Iowa Events Center following plenary programming, these sessions offer a focused platform for **organizations to share detailed research, insights and outcomes on a specific subject**. Designed to encourage audience engagement and interdisciplinary exchange, Deep Dives will spotlight pressing challenges and emerging solutions in global food and nutrition security.

Applications will be reviewed based on the session's relevance to the overall theme **SOILutions for Security**, which underscores the foundational role of soil and agriculture in sustaining global stability. Selected hosts will work closely with the World Food Prize Foundation to ensure content integration and thematic alignment.

The cost to host a Deep Dive at the Dialogue is \$7,200. This includes a prime-time session slot, a standard A/V package, professional photography and promotion across World Food Prize Foundation platforms. Livestreaming/video recording is available for an additional fee of \$2,300.
